THE VALLEY'S **THROWBACK** STATION

WHO WE ARE

Locally Owned. Veteran Founded.

Sierra H Broadcasting and The BOUNCE 101.1-FM were founded by U.S. Air Force Veteran Jay Brentlinger and Air National Guard Veteran Steve Szalay. The company is locally owned and operated by their families.

Mr. Brentlinger and Mr. Szalay, both Captains, met while flying F 104 fighter jets at Luke Air force Base in Phoenix, Arizona in the mid 1950's. Between the two of them, they successfully flew missions in Korea, Germany and throughout Europe.

Our company name, Sierra H Broadcasting, is a tribute to the bond our partners had and commitment they made to serve our country. "Sierra H" is aviator slang for "SH*T HOT". This is military pilot's favorite, all-purpose expression of approval, a term of excitement, joy and high praise.

Sierra H Broadcasting salutes all Veterans past and present and continually thanks them for their service in protecting us!

Sierra H is committed to delivering quality content, entertainment, and service to the diverse, multigenerational and multicultural Phoenix Market, while providing results for its clients.

Upper Crust Bakery is an international bakery manufacturing plant in Phoenix. Like every other company, we are trying to get through the labor shortage and getting creative with our recruiting methods. We decided to give BOUNCE a try and see how it works. NO REGRETS!!! At one of our past job fairs, every person except one, said they heard it advertised on BOUNCE and came to our job fair! We are looking forward to building a lasting work relationship with BOUNCE! Regards, Jackie

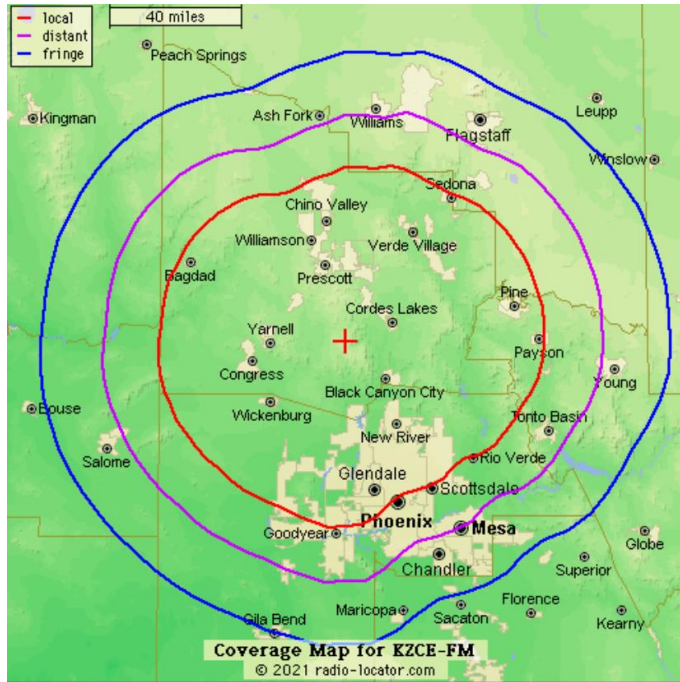

Our partnership with Bounce has benefited many families in our program and has helped them as they work towards self-sufficiency. Brenda has also been responsive and resourceful in addressing our program needs. We appreciate all the staff's hard work and commitment in providing effective and engaging marketing solutions and customer service.
FRIENDLY HOUSE

I have been an advertiser with "Mega 104.3" for many years and have recently added "101.1 The Bounce" as another outlet to reach my target audience. Every time I work with you and your team, you go over and above the call of duty and always make sure I'm happy and reaching my goals. I just wanted to say thank you and let you know that I plan to continue advertising with Sierra H Broadcasting for many years to come. Simply stated, you over-deliver on your promises and I am a very happy customer. Your commitment to your clients shines through each and every time we work together. Thank You All for your integrity and hard work!!
