WHO WE ARE

Locally Owned. Veteran Founded.

Sierra H Broadcasting and MEGA 104.3 JAMZ were founded by U.S. Air Force Veteran Jay Brentlinger and Air National Guard Veteran Steve Szalay. The company is locally owned and operated by their families.

Mr. Brentlinger and Mr. Szalay, both Captains, met while flying F 104 fighter jets at Luke Air force Base in Phoenix, Arizona in the mid 1950's. Between the two of them, they successfully flew missions in Korea, Germany and throughout Europe.

Our company name, Sierra H Broadcasting, is a tribute to the bond our partners had and commitment they made to serve our country. "Sierra H" is aviator slang for "SH*T HOT". This is military pilot's favorite, all-purpose expression of approval, a term of excitement, joy and high praise.

Sierra H Broadcasting salutes all Veterans past and present and continually thanks them for their service in protecting us!

Sierra H is committed to delivering quality content, entertainment, and service to the diverse, multigenerational and multicultural Phoenix Market, while providing results for its clients.

Mega 104.3 FM

BEST R&B RADIO STATION

Walking the tight rope between old-school soul, funk, and the *Quiet Storm* program with selections from contemporary artists, Mega 104.3 is the kind of station that knows how to draw the connecting line between Justin Timberlake's "Suit & Tie" to Earth Wind and Fire's "Shining Star." Things stay consistently funky, whether said funk's coming from the Bee Gees or Parliament-Funkadelic or Janet Jackson, and like its sister station 101.1 The Beat, the grooves here seem custom-engineered for smooth, languid listening. The station is often a lifesaver on backed-up Phoenix freeways: a soft, pillowy balm for road rage.

Client Success

Our event was fantastic!! Close to sell out. The crowd event was electric. People had such a great time ... on their feet dancing in the seats and in the aisles for most of the night. SO much fun. I know MEGA was a huge part of the success of this event. Thank you, again, for all of your help.

You have an asset at your radio station in Emmanuel. Yes, he's one of the best in the business. I love working with him because he takes the ideas in my mind and turns them into a commercial that sounds exactly how I envisioned. I appreciate all the work you guys do.
